

Dear Anele,

We are honoured to name Sorobon Beach, Wellness & Windsurf Resort Bonaire as winner of the Award for Beach Front Resort of the Year for Netherlands Antilles, 2019

The in-house judging panel were impressed, our process is carried out entirely online and is not bogged down by expensive events or prohibitive entry fees.

Here is a summary of what the judges have acknowledged the strengths of your property;

- Fantastic range of room options. Smaller groups and couples can choose from a studio room or one bedroom apartments while bigger groups and families have the option of private chalets & villas
- World class location; guests can expect to enjoy a private beach with stunning sea views and the perfect spot to enjoy a whole host of water sports
- Excellent facilities and services. This includes a private pool, wellness packages, sun terrace, children's playground and an on-site restaurant

We hope to consider you again!!!

Keep up the good work
